

NEW FACILITY OPENING MAY 2ND

EVERYTHING YOU NEED TO KNOW

Opening May 2, 2026, our new location is designed to better serve you with expanded capacity, improved access, and enhanced support.

WHAT YOU NEED TO KNOW

- New facility opens: **Saturday, May 2, 2026**
- Improved parts availability and service capacity
- Easier access, parking, and customer flow
- Same trusted team, now in a better space

TIMELINE

Late April: Departments begin transitioning to the new facility

May 2: Full operations begin at the new location

May 4-8: Final transition period (minimal disruptions expected)

We are planning this move to minimize disruption. If anything affects your service, delivery, or order, we will communicate directly.

LIMITED INTERRUPTIONS

You won't need to change how you work with us — just expect a better experience.

- Continue using your current contacts (phone/email unchanged)
- Service appointments remain as scheduled unless notified
- Parts ordering process remains the same; parts deliveries may be temporarily reduced from two times a day to one time a day
- Improved turnaround times expected after move

BUILT FOR BETTER SERVICE

- 65,000 sq. ft. modern facility
- Expanded parts warehouse and inventory capacity
- Enhanced service bays and technician workflow
- Dedicated customer areas and improved experience
- On-site truck wash

FIGHT EVERY OBSTACLE AND CONQUER ALL.

For 70 years, through four generations, we've been here and we'll be here, helping the trucking community get back on the road and back to business.

FROM THE COO: UPCOMING MOVE TO OUR NEW FACILITY – CUSTOMER Q&A

David Tyson | Senior Vice President / Chief Operating Officer

With our new facility opening this month, we want to make sure our customers have clear, straightforward information ahead of the transition. This new location will serve our Freightliner, Isuzu, and Western Star brands, bringing these operations together in a modern, purpose-built environment.

Q: When will the new facility officially open?

A: Our new facility will officially open to customers on May 2. We look forward to welcoming you beginning that day.

Q: Where is the new facility located?

A: Our new address is: **2150 Whipple Ave SW, Canton, OH 44706**

Q: Will there be any disruption to service during the move?

A: Our top priority is maintaining uninterrupted support for our customers. The move has been carefully planned to minimize any downtime. If there are any temporary adjustments to scheduling, we will communicate those directly.

Q: Will your location change?

A: Yes. Our Freightliner, Isuzu, and Western Star operations will move into our new facility effective May 2. Our Young Volvo, Young Trailer Shop, Young Leasing, and JayMac Body & Frame operations will remain at their current locations on Shepler Church and Ivydale.

Q: What improvements can customers expect?

- A: The new facility significantly enhances our ability to serve you, including:
- A larger, more efficient service shop with advanced equipment
 - Increased capacity to reduce wait times
 - Expanded support across Freightliner, Isuzu, and Western Star brands
 - More efficient parts operations to support faster service turnaround
 - A more comfortable and streamlined customer experience

Q: How can I get more information about the move?

A: Scan the QR code in this flyer to visit our move landing page for additional details, updates, and helpful information.

Q: Will my current contacts or service team change?

A: No. You will continue working with the same trusted team members you know today. Our people remain the same—this move simply gives them better tools and space to serve you.

Q: How will this benefit my business?

A: This investment is all about helping you stay on the road. Faster turnaround times and improved efficiency across our Freightliner, Isuzu, and Western Star brands all contribute to reducing your downtime and keeping your operation moving.

We appreciate your continued partnership and look forward to serving you in our new facility starting May 2.
