Save Time and Unlock Special Pricing — Order Parts Online

Make ordering parts easier than ever with our online platforms—Excelerator for Freightliner products and Parts Assist for Volvo products. With online ordering, you can quickly check real-time inventory, ensure order accuracy by comparing parts on screen to those in hand, and take advantage of special pricing—all while saving valuable time.

Creating an account is simple, and our Parts Department or your dedicated sales representative is ready to assist you in getting started.

Stay Informed with Delivery Notifications!

Young Trucks is excited to announce a new customer service enhancement: customers can now opt in to receive email notifications about the status of their parts deliveries. With timely updates straight to your inbox, you'll always know when to expect your order—making it easier to plan, reduce downtime, and keep your business moving.

To get started, simply contact your parts representative to sign up for delivery notifications. We're proud to bring you this added convenience as part of our ongoing commitment to providing the best service experience possible.

RULES OF THE ROAD

To stay true to our purpose, we follow a set of guiding principles we call the Rules of the Road — a system for how we show up, serve others, and stand out.

#5 PUT OTHERS FIRST

Our greatest purpose in life is to care – to help others, to be kind and considerate – to give a damn.

Visit a Young Trucks location for sales, leasing, fleet maintenance, finance, parts, service, body shop, trailer, and more specialized services to keep you moving.

YOUNG TRUCKS ADDS WESTERN STAR TRUCKS TO PREMIUM COMMERCIAL VEHICLE LINEUP

We've got exciting news! Young Trucks is now an official dealer for Western Star Trucks, Parts, and Service. This expansion brings Western Star's legendary strength, durability, and innovation to the Young Trucks portfolio, reinforcing the company's 70-year tradition of excellence in serving the trucking industry.

Western Star is known for building tough, customizable trucks that thrive in demanding environments. With the addition of Western Star, Young Trucks can now meet the growing demand from construction, logging, heavy-haul, and long-haul operators who need equipment that performs under the most extreme conditions.

"We're proud to add Western Star to our lineup," said Ryan Young, President of Young Trucks. "Western Star's reputation for strength and durability makes it a perfect fit for the demanding vocational markets in our region. This addition allows us to serve our customers with more choices, more solutions, and the same commitment to quality and support they've come to expect from us."

Parts & Service Support

In addition to sales, Young Trucks provides comprehensive parts and certified service support for all Western Star models. With factory-trained technicians and access to genuine OEM parts, customers can count on maximum uptime, reliability, and expert care for their equipment.

Contact Truck Sales Director, Justin Candea, at 330-477-6271, or your Young Trucks Sales Representative to discuss new truck opportunities.

HELPING THOSE WHO HELP OUR COMMUNITIES – WITH EXCLUSIVE PARTS SAVINGS

At Young Trucks, we believe in supporting the people who support our communities. That's why we're proud to launch a new initiative offering special Parts pricing exclusively for municipalities and schools. This program is our way of helping those who help others every day.

More details will be released soon—but in the meantime, qualifying organizations are encouraged to reach out to their Parts Representative for more information.
